[Rare Diseases](#), too known as vagrant illnesses, have gotten to be a major wellbeing burden within the later times. Within the setting of China-US trade war and worldwide financial instability and instability, it'll have a enormous impact on this advertise. Uncommon Malady Diagnostics Report by Material, Application, and Topography – Worldwide Estimate to 2023 may be a proficient and comprehensive investigate report on the world's major territorial advertise conditions, centering on the most districts (North America, Europe and Asia-Pacific) and the most nations (Joined together States, Germany, Joined together Kingdom, Japan, South Korea and China).

Expert Level

The award is recognition to the professionals who have made outstanding contributions to Medicinal Chemistry and [Drug Discovery](#) Science research development. It is the symposium's most prestigious award and is designated as the Scientific Service Achievement award. The eligibility criterion for this award is that you must have at least 20+ years of public or private sector related experience. The winner of this award must have a committed interest and take the initiative to study recent trends and innovations on Macular Degeneration Science topics. You can nominate deserving personalities for this award online.

Professional Level

The award is for professional or academic researchers experience gained in the field Medicinal Chemistry and Drug Discovery Science in the public domain or private sector for experts with the most vital accomplishments having **10+ years** of research experience in the field Optometry and Vision Science. The experience of part-time work will be regarded as a pro-rata. It is measured from the date you received the (first) degree which entitles you to begin a doctorate (either in the country where the degree was obtained or in the country where the researcher is recruited), even if a doctorate was never been initiated or expected. You may apply for the award online.

Scholar Level

The conference is presenting the Scholar Level award for future scientists, researchers, and experts with 10+ years [Medicinal Chemistry](#) and Drug Discovery Science research

experience. Our conference DRUG CHEMISTRY CONF 2020 aims to offer the best platform for expanding your network by sharing your on-stage research knowledge. Presentation involves 25-30 minutes of oral debate on the conference theme-based scientific research topics along with 5-minute panel discussions. You can nominate online deserving of the award.

Women Scientist

Our conference provides women scientists with a unique platform for an in-depth analysis of the latest research projects. We cordially welcome university/industry women scholars and scientists with **10+ years of research experience** to join the forum. We are glad to encourage our women scientist participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.

Outstanding Speaker

The award honors the recognized individuals who have present their initiatives, approaches, and schemes to boost long-term performance Medicinal Chemistry and Drug Discovery Science.

Best Keynote Speaker

The award recognizes the Best Keynote speakers who will present their projects, strategies, and schemes to improve long-term excellence in Medicinal Chemistry and Drug Discovery Science. If you are accepted as a keynote speaker by Program Manager, you can nominate deserving of the award online.

Best Poster Presentation

Students poster competition is organized at the conference DRUG CHEMISTRY CONF 2020, to encourage students and graduates to show their research. All approved abstracts will be discussed during the conference at the poster sessions. The goal of symposium DRUG CHEMISTRY CONF 2020 is to set up a platform for all aspiring scientists and researchers to present their work in real-time and share their views and aspects relevant to the

conference theme. You can nominate deserving personalities for this award online.

Outstanding Thesis

The award is recognition for Masters/Ph.D./Post Doctorate thesis work presentations who will exhibit their projects and thesis that have been applied to enhance long-term excellence in the field of Medicinal Chemistry and Drug Discovery Science. You can nominate deserving personalities for the award online.
